consider the resumption of production of Durgapur unit only in terms of the decision of the Government on the revival of Hindustan Fertilizer Corporation Ltd. which has been referred to the Board for Industrial and Financial Reconstruction.

A chemical plant of this nature can be kept under preservation for reasonably long periods depending on local climatic conditions and other relevant factors provided proper procedure of preservation is adhered to and periodic inspections are carried out so as to assess the health of the plant.

Sports Institutes in Assam

*290. DR. ARUN KUMAR SARMA: Will the Minister of CULTURE, YOUTH AFFAIRS AND SPORTS be pleased to state:

(a) the names and locations of existing institutes under SAI's sports promotion schemes in Assam, including details of activities, facilities extended and the number of youth trained, year-wise, during the last three years;

(b) the details of SAI adopted schools under Special Games Schemes an SAI training centres proposed to be taken up in Assam during Ninth Five Year Plan; and

(c) the facilities made available to the North-Eastern students for specialised training in institutes outside the region, including allocation and State-wise quotas, if any?

THE MINISTER OF CULTURE, YOUTH AFFAIRS AND SPORTS (SHRI ANANTH KUMAR): (a) Under the Sports Authority of India's Sports Promotional Schemes in Assam, two Training Centres are functional at Guwahati and Golaghat respectively.

Sports Promotional activities for Sub-junior trainees are carried out under the National Sports Talent Contest Scheme (NSTC) at SAI adopted schools, namely Don Bosco High School at Guwahati, Sainik School at Golpara and Government Bazbaruch School at Golaghat. While in house training is imparted at SAI Training Centres (which are residential), training in adopted Schools is extended to selected trainees including hostelers and dayboarders.

The details of the number of trainees in SAI Training Centres and SAI adopted Schools (in Assam) during the last three years, including disciplines in which coaching is provided and sports facilities are available in the enclosed Statement (See below). The details of facilities extended to trainees of SAI Training Centres and trainees under NSTC Scheme (adopted Schools) are contained in Statement-I (See below).

(b) and (c) A composite proposal has been formulated for further strengthening of SAI schemes, including adopted Schools, Special Area Games and SAI Training Centres and for developing sports facilities in Assam. Advanced training is provided to selected sports persons from the North Eastern Region at SAI Centres.
